 Addis Ababa, Ethiopia

To: Nib International Bank

Position: Junior Core Banking System officer

Dear Hiring Manager,

This is my application letter through which I cordially request the pleasure of your good opinion to give job opportunity in line with my educational qualification in your organization. I am graduated from **Adama Science and Technology University** from the School of **Electrical Engineering and Computing** with **BSc** degree in **Electronics and Communication Engineering** passing the exit exam with score(64%) on **July, 2023**. I have completed Cisco Certified Network Associate (**CCNA**) course from **cisco academy**, **DCC-Data center professional** from Schneider electric University and I have also **Cybersecurity** certificate. I strongly believe that the knowledge, skills and attitude I have acquired because of my educational journey and two internships (at **ICT center** and at **Network installation**) could qualify me to be the right person you are looking for. What is more my strong work ethics, desire to succeed, willingness to cooperate with others, and my need to produce quality work is what you can be witnessing due hours of time. I would be deeply committed to serve your organization with great responsibility and accountability and would come up with tangible changes in your organization.

Now i am working in IE Network solutions vampa

I believe that my skills and experience make me an excellent fit for this position. I hope, you will give due attention to the detail of my CV and documents. Lastly, I would like to thank you for your consideration and time. I am looking forward to learning more details about the position and company.

With best regard,

Habtamu Yeshamble
